BACKCOUNTRY TRIP PREFERENCE

List your backcountry trip preference below. Please see the [Backcountry Camping Brochure](#) (Adobe PDF) for site names, locations, and mileage. Please note the group size limits in the campsite list below. You will not be assigned a campsite if your group size does not match the size limits for your requested site. If you are unsure of your group size, use the largest number of people you think you will have. Each party is allowed three nights per site; ten nights maximum during June, July, and August. If you want to camp on Jackson Lake more than three nights in a row, you must move to a different site. Fill out a new form for each separate trip on the lake that you desire. Be sure to include alternate choices. There is a non-refundable \$25 fee for each reserved trip into the backcountry. You will only be charged for trips successfully reserved.
